Dear Families,

As agreed with parents in the meetings held in the summer of 2019, Year 6 children will be completing their 'Relationship and Sex Education' lessons. We will be delivering both the Year 5 and the Year 6 content due to missed content last summer. The session will take place during the course of the morning, this Wednesday 14th July.

If you wish to view the resources that will be utilised in lessons, you can view a paper copy of the PowerPoint slides at the main school office.

The children will be taught the majority of the content as a whole class, with certain content being delivered in same-sex groups. The objectives / subject matter that will be covered are as follows:

Year 5 content:

- * To know that as we grow we will become different in our... bodies...feelings...love of God.
- * The Menstrual Cycle (delivered to same-sex groups)

Year 6 content:

- * Know that we are made to love and to be loved.
- * Learn the proper ways in which we show our love for one another and for God.

The Year 5 content covers the basic information relating to puberty, whilst the Year 6 content also covers reproduction.

We are sure that the pupils will find the sessions beneficial and that they will help prepare them for life in high school.

Kind Regards,

**Mrs Clayton
Headteacher**
