Dear Parents, Carers and Children,

Week 2 of 'Lockdown' has come to an end - thank you to everyone who has sent in lovely work to show your teachers, we are all very proud of you for trying so hard. It is not always easy to work from home especially when there are other people around trying to do the same but I am so pleased to hear that you are trying your very best and that is all I ever ask of you 😊

Children - I hope you are being good for your parents and listening to them, remember how helpful you are at school for your teachers and for me. Try to think of a new way you could help at home this week eg offer to dry the dishes, vacuum the carpets or clean the windows! Working together as a family makes things much easier!

This week, as we enter into Holy Week, reflect that, even in these hardest of times in which we find ourselves, there is always hope. God sent His only Son to die for us because He loved us so. We are called upon now more than ever by God to serve and to care for the most vulnerable people in His world.

I miss seeing you every day very much but I am happy to know you are all safe and sound at home and following the rules of self-isolation and social distancing.

Look after yourselves and each other, you are all in my prayers every day,

Love and best wishes

Miss D Ridyard
